in https://www.linkedin.com/in/a-alhofufy/

As a recent computer engineering graduate, I am eager to apply my skills and knowledge in cloud computing, web development, and mobile app development to a challenging role in the technology industry. With a passion for staying up-to-date with the latest trends and technologies, I am confident in my ability to contribute to a dynamic team and drive innovation within an organization. My strong problem-solving skills and attention to detail make me a valuable asset in any project, while my ability to work collaboratively with others ensures that goals are met efficiently and effectively.
